Welcome to the 25-26 school year! I write to you as the PROUD Principal of Finch Elementary School. I am honored to continue to serve in this role, as it is one of dedication to excellence, dedication to student achievement, and dedication to being a servant leader in a community that boasts of rich history and abundant pride. In my 21-year career as an educator, I have worked as a Teacher, Data Coach, and Assistant Principal. Still, I consider my most significant job title is that of “**child advocate.**” This role aligns with the ideals and values of Mr. William M. Finch, Atlanta’s 1st African American Councilman and staunch supporter of providing quality education for **ALL** children.

My goal is to always provide a supportive presence and strong leadership that will ensure that each student reaches their greatest potential- both academically and socially. I am wholeheartedly committed to fully preparing our Finch Eagles for success beyond elementary school. I commit to spending a great deal of time with your children, getting to know their personalities, learning styles and interests. I vow to celebrate their successes, small and large. I promise to provide daily encouragement and I vow to let them know they are valued and have a special place in our school, in the Oakland City community and in our world.
