IV. Discussion Items

a. **Discussion Item 1: Strategic Plan**

However, the priority has been moved to number four to align with the overarching strategic priority and initiative of “building a culture of student support.” Dr. Spencer shared an additional suggestion which was to ensure that the school focuses on college and career awareness with field experiences in person and virtually with STEAM.

- Dr. Spencer reminded members of the school's SMART goals. She called attention to how the SMART goals align to the SIP and the continuous improvement plan.

b. **Discussion Item 2: School Logo**
