IV. Discussion Items

a. Uniforms Domonique James sent out a survey to parents to see how they would react to mandatory uniforms, Jamie Manning checked in with study 7 out of 4 students agreed with the idea. The main objections with James' survey were that they could not find clear policies or anything written about it. There 11 yes and 36 no the policy doesn't allow children to be individuals. Parents want clear directions. Brown will touch bases to get a draft policy with help on the policy.

b. Spring MAPS results [This can be found in GO team drive/slide deck. This data tells us that Toomer is aligned with the district averages, we look to be an average school. MAP shows that there is still room for improvement but there is still growth. Possible solution is summer school for black students.

c. Needs Assessment [During this Needs Assessment, we looked at data from the Spring MAPS administration and identify 2-3 potential needs for the 2025-2026 school year. This discussion will help school leadership as they prepare for the 2025-2026 school year.]

V. Information Items

a. Principal's Report Ms. Cooper goes over the new school mission statement. The website will be updated with a new mission statement.

i. 2024-2025 Family Engagement and/or Partnership Highlights Toomers Calendar in the slide deck was shared, showing all of the upcoming events for the month of May

b. March 24, 2025 Cluster Advisory Team Report Not much changed, 6 million dollars have been found due to cuts downtown and across the district. There will possibly be a reduction in the number of schools.

c. GO Team Elections[Need a little more time, Brown asked James to speak to families to see if they can help with getting families involved in the voting.]
