- 7th place in the district combined Math & ELA

Math

- 5th in achievement

ELA

- 6th place in the district

Did we meet our achievement goal?

As a school, we **meet** math goals.

As a school, we **meet** ELA goal

Takeaways?

Students are improving and growing more than other schools in the district.

Needs Assessment

1. Subgroups- proficiency rates- targeted instruction/ structures
2. Move more students from developing to proficient- target bubble students
3. Gifted- incorporate an accelerated program during the intervention block
