

## **Morningside Elementary School**

### **Community Member Nomination: Kristen Pollock**

Kristen Pollock moved to Morningside in 2013, trading the hustle of New Jersey for the charm of Atlanta. Her children navigated Morningside Elementary and continued through APS schools, with her oldest now a freshman at UGA, and her youngest thriving as a sophomore at Midtown High School.

Kristen's dedication to the community shines through her active roles in the Morningside Lenox Park Neighborhood Association, where she has worn multiple hats, including Education Chair and, currently, Membership Chair. As a Realtor with Engel & Volkers Atlanta, she has supported neighborhood schools as a business sponsor for five years, passionately showcasing our vibrant community and exceptional schools to new families.

When not immersed in work or volunteer activities, Kristen can be spotted cheering her son from the soccer sidelines, strolling the neighborhood with her dog, or engaged in local adventures with her husband, Lee.

Fun fact: Kristen's father-in-law was raised in Morningside and walked the same halls of Morningside Elementary and Midtown High School—back when it was known as Grady - as his grandkids.
