

Sarah Smith Superstar Corporate Partners are local businesses committed to enriching the educational experience at Sarah Smith. Our Corporate Partners provide funds, in-kind items and services and/or discounts that enhance the education experience and curriculum above-and-beyond the standard APS curriculum. In return for your generous donations, you will receive extensive exposure throughout the year within our school community. There are several ways to partner with us starting with as little as \$250. For more information on how your business could benefit from partnering with Sarah Smith, please contact Mary Anderson or Amber Sappington at: ssefcopartners@gmail.com
