## Paw-sitive Highlights

### Welcome to Dunbar: An IB World School!

Dunbar officially became an International Baccalaureate (IB) World School on February 8, 2023! Our mission is to educate the whole child through inquiry-based learning, social-emotional growth, and the IB Learner Profile.

Each month, one student per class will be recognized for demonstrating the monthly IB Learner Profile trait, serving as a role model for their peers. Honorees will receive a certificate, a special treat, and/or lunch with the Principal. We are proud to celebrate our amazing IB learners!
