Bill to Date = \$22,916,635

Start Date: July 2, 2018  
Current Completion Date:  
July 10, 2019

## Project Overview

North View from East to West

## Safety Sector

## Electrical Protection Devices

The project has now transitioned from temporary to permanent power inside the building. JE Dunn requires all Trade Partners to use GFCI line cords when using equipment on permanent power. This measure protects the electronic equipment inside of the building.

## APS Tuskegee Airmen Global Academy

*Project Purpose Statement: To build a new elementary school for Atlanta Public Schools that will create a diverse and innovative learning environment, allowing students' minds to soar.*
