

An aerial photograph of Midtown High School. The school building is a large, multi-story structure with a flat roof, situated on the left side of the image. To its right is a large, open field with white yard lines, likely a football or soccer field. In the background, a dense line of trees separates the school from a city skyline with various skyscrapers. The sky is clear and blue.

Weekly Construction Progress Report

Midtown High School
Week Ending: 4/30/2021
