

An aerial photograph of Grady High School in Atlanta, Georgia. The image shows the school's main building complex on the left, a large stadium with tiered seating in the center, and a football field with yard lines on the right. In the background, a dense line of trees separates the school grounds from the Atlanta city skyline, which is visible under a clear sky. A solid red vertical bar is positioned along the left edge of the image.

Weekly Construction Progress Report

Grady High School

Week Ending: 11/20/2020
