

An aerial photograph of Midtown High School. The school building is a large, multi-story structure with a flat roof, situated on the left side of the image. To the right of the building is a large, open field, likely a soccer field, with a goal visible. In the background, a dense line of trees separates the school from a city skyline, which includes several tall skyscrapers. The sky is clear and blue.

Weekly Construction Progress Report

Midtown High School
Week Ending: 3/19/2021
