Dear Booker T. Washington High School Family,

Welcome back! It is with immense excitement and pride that I extend my warmest greetings to all of you as we commence another academic year at our beloved Booker T. Washington High School. This year marks a particularly special milestone as we celebrate our Centennial—100 years of excellence, resilience, and community.

As I begin my third year as your principal, I am deeply honored to lead this historic institution. Walking the halls where so many outstanding educators have paved the way fills me with a profound sense of responsibility and gratitude. Our school's rich legacy is a testament to the dedication and hard work of our faculty, staff, students, and community.

The entire instructional leadership team and I are committed to making this year both successful and celebratory. We eagerly look forward to creating an environment that not only honors our past achievements but also sets a positive and ambitious tone for the next century of learning and growth.

As we embark on this momentous year, let us embrace the spirit of excellence that defines Booker T. Washington High School. Together, we will continue to support and inspire our students, ensuring they are prepared to lead and succeed in an ever-changing world.

Thank you for your unwavering dedication and support. Here's to a remarkable year of celebration, learning, and achievement!

Yours in Educational Service,

William C. Wade
