Dear SPARK Families,

We are so proud of our students and all the hard work they put into testing this week! Their focus, effort, and positive attitudes were truly impressive. As scores become available, we will be sharing individual student reports with families.

We still have a few makeup tests to complete next week, and we appreciate your continued support in helping students stay rested and ready.

Starting Wednesday, May 14, parent visitors will once again be welcome in the building—we're excited to see you!

We're also gearing up for Field Day on Friday, May 16—a highlight of the school year! To help your child stay comfortable and ready to participate, please send them with:

- A small towel
- A refillable water bottle
- An extra snack

Field Day is a great opportunity for our Dragons to demonstrate what it means to compete willingly, one of our valued STEAM Learner characteristics, and to show the hallmarks of good sportsmanship—encouraging others, giving their best effort, and celebrating all successes.

We hope many of you have signed up to volunteer and will join us on Friday to cheer on our hardworking Dragons. Thank you for being such a vital part of our school community!

With Love,

Dr. Jennifer Toney
