What is the IB PYP?

Parkside Elementary is an International Baccalaureate (IB) World School implementing the Primary Years Programme (PYP).

The International Baccalaureate® aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

How can I support at home?

The best way to support the IB PYP at home is to read the IB PYP News every month. IB PYP News will give guidance and suggestions on how to support your child's IB Journey at home!

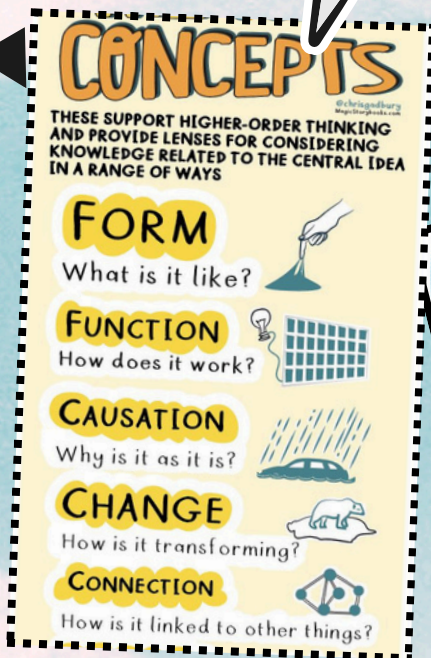

IB LEARNER PROFILE ATTRIBUTE FOR THE MONTH:
KNOWLEDGEABLE

Get to know the IB PYP language!

In the PYP, **action** is both an application of learning and an opportunity for students to engage in a form of contribution of service. It is integral to PYP learning and to the program's overarching outcome of international mindedness.

These PYP **themes** provide ILYB World schools with the opportunity to incorporate local and global issues into the curriculum and effectively allow students to "step up" beyond the confines of learning within subject areas.

The International Baccalaureate Primary Years Programme (PYP) is driven by seven **key concepts** which give the inquiries direction and meaning.

Approaches to Learning help students to develop the attitudes and skills they need for both academic and personal success.
